## NEW WEBSITE LAUNCH!

Experts in  
Gastroenterology  
Since 1978

We are excited to announce the official launch of our redesigned website. If you have visited our website recently, you have probably seen some changes.

As the community becomes more technologically savvy and has greater access to electronic devices, like smartphones and tablets, we knew our website had to adapt to these changes. That is why we updated our website to make it more user-friendly. It also adjusts for mobile, so it is even easier to visit us on the go.

We have some new features

that we encourage you to visit:

- **Home Page:**  
Our home page is now more dynamic and organized. You get who we are right from page 1.
- **Prep Page:**  
To make it easier for patients to understand the prep procedures, we now have videos detailing each step of the process. These videos are in both English and Spanish.
- **Provider Bio Pages:**  
Get to know our providers better than ever through their profiles on our website.

Not only can you watch their introduction videos, but you can also read some of the blogs they have written.

- **Blog Page:**  
Our blogs have always been our more visited pages, and now you can also access our videos right from the blog page.

We also want to remind you of the "[Referring Physicians](#)" section of our website dedicated specifically to you and the needs of your practice. We hope that these updates will improve your user experience on our website.

## The giving spirit continues at DHS

We were proud of the giving spirit our staff and patients showed for our food drive in November. We delivered many pounds of food and other items to the chosen pantries (pictures on next page).

This giving spirit continues in December with our Toy Drive. From December 1<sup>st</sup> through December 17<sup>th</sup>, we will be accepting toy donations at each location. If you would

like to participate, please drop off a small, unwrapped new toy (newborn to 14) to any of our Digestive Health Specialists locations. We will distribute the toys with the help of the following organizations:

**Kernersville Office**  
Toys for Tots

**King Office**  
City of Police Department  
& Toys for Tots

**Tanglewood, Thomasville,  
& Winston-Salem Offices**  
Operation Make Christmas  
Night Bright
